Danscompany of Gainesville

*2016-2017 Season*

**DANSCOMPANY OF GAINESVILLE (DCOG) IS A NON-PROFIT CORPORATION THAT HAS SUCCESSFULLY SERVED GAINESVILLE AND ITS SURROUNDING COUNTIES FOR 34 YEARS.**

In 1983, Nina Kessler Cameron founded Danscompany of Gainesville as the resident dance company at Dancenter of Gainesville. Danscompany has triumphantly dedicated itself to serving and contributing to the growth of the Arts throughout Gainesville and its local communities. With over 60 years of personal experience and more than 30 years serving as Artistic Director Nina has held countless positions with leading organizations such as Florida Dance Masters and American Jazz Dance Council. She has been awarded the Lifetime Achievement Award by the Gainesville/Alachua Cultural Affairs Department and her talented, experienced staff brings a broad range of expertise in Pointe, Ballet, Jazz, Contemporary, Modern, Tap and Hip Hop.

Danscompany's established position in the Gainesville community speaks to its success and appeal to dancers of all ages. Over the years DCOG has grown from a small dance company to a community leader in dance with over 150 members, including young children, teens and adults. Dancers with DCOG perform at countless events, festivals, parades and community based appearances. Combining our passion for dance and collaboration with other non-profit organizations DCOG is able to bring recognition and local awareness that contribute to the community in which our members live, go to school and work.◆

## Chance to Dance

Chance To Dance was established 30 years ago to introduce children from local schools to the art of dance. This particular program is one of great pride and importance to DCOG. On a weekly basis, Danscompany high school and middle school volunteers, teach dance to a number of local elementary school students. Many of these participants have never had the opportunity to take dance lessons or perform on a stage. Each spring these students are invited to

participate in our Spring Concert & The Wiz at the Phillips Center for the Performing Arts at the University of Florida. Chance To Dance has successfully shown strong growth since 1986 and is continuously embraced and celebrated in our community.◆

## Cinderella

*Guest Artist  
Prince Jared Bogard  
Saturday, December 3, 2016  
1:30 & 7:00pm  
Center for Performing Arts,  
University of Florida*

Cinderella is celebrating its 24th Anniversary as a true holiday tradition for Danscompany of Gainesville. This full-length ballet brings to life the celebration of dance, enchantment, and inspiration in a breathtaking experience of local, semi-professional talent. Each year, tickets to the Cinderella performance are donated to multiple area non-profit organizations, allowing Danscompany of Gainesville to fulfill its commitment to community involvement. Additionally, DCOG organizes a toy drive during the performances, and the donated toys are distributed to local families just in time for the holiday. A very special and treasured part of our Cinderella tradition is to sponsor a local family for the holiday. DCOG opens our hearts to this adopted family, giving them a day full of excitement and joy.◆

## Spring Concert & The WIZ

*Saturday, March 4, 2017  
1:30 & 7:00pm  
Center for Performing Arts,  
University of Florida*

Danscompany of Gainesville's Spring Concert & The Wiz will celebrate its 34th consecutive year on stage in 2017. The inspiration for this annual performance became reality in 1983, and a combination of local talent and determination has made the show an ongoing success. This show combines tempo with talent as our dancers perform unique and creative dance styles. Choreography spans genres including Jazz, Contemporary, Hip Hop, Tap, Modern and Lyrical, and our show culminates in our inspiring rendition of The Wiz.

Danscompany of Gainesville strives each year to enable and demonstrate not only the gift of dance through the Arts, but to give our dancers tools to become well-rounded individuals. The discipline that comes with countless hours of dance translates into dedication to personal studies and a commitment to giving back to our community. It is nearly impossible to put into words the true value of what Danscompany of Gainesville offers our youth.

An essential element of Danscompany of Gainesville's continued success over the last 34 years has been the support provided by our families, local companies and businesses. Your generosity has made it possible for DCOG to provide high-level entertainment and performance to our community for over three decades. In addition to attending our shows, we ask that you consider sponsoring Danscompany of Gainesville to partner with us as we continue to platform our youth and promote the beauty of the Arts and all the gifts it has to offer our community. Together with your support, our goal of teaching the value of performing through the arts is priceless.

It is with your support that we are able to make this happen! Please consider becoming a sponsor which allows us to continue this magical journey.◆
